Fun, Fellowship and Friends – Your Baldus N2O-Academy Event

Join us for our International N2O Training and Certification Course including Baldus German N2O-Academy Certificate. The course will be held in English and will be from Friday 26th of September through Saturday 27th of September.

The course will not only include the extensive training on the use and application of nitrous oxide but also include some sight seeing and fun events around the city of Koblenz, Germany as well as your hotel accommodation for 2 nights (Friday-Sunday).

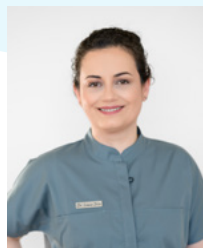

The event will start on Friday 26th of September in the afternoon at 15:00, with a tour through the city of Koblenz, walk along the Rhine and gondola trip up to the historic fortress overseeing Koblenz and the Rhine. After our sight-seeing, we will invite you for dinner at one of the nicest local Restaurants in Koblenz.

Your Speakers will be **Eva Hemmann** and **Dr. Lama Issa**.

The training itself will be held at the Baldus Sedation GmbH head office and training facility on Saturday 27th of September. It will be an all-day course with lunch and breaks included as well as dinner.

The whole package includes the N2O-Academy certification course, hotel accommodation for 2 nights, 2x dinner as well as lunch (Saturday).

We look very much forward to meeting and to train you.

DR. LAMA ISSA
Dentist
